

# U6 Soccer Schedule 2025

We will be using the Clinton Public School field for U6 soccer. Practice will run from 7-7:45. The fields will be outlined and each team will use half the field for their practice and then join the team on your field for a game. For the first week, we will just be practicing. Starting week 2, we will start having little soccer games against the other teams during the last 20 minutes. Each set of fields will join to make 1 field for the soccer games.
